Editorial | Uvodnik

Dear Reader,

In summer all journals listed in SCIE eagerly waited for the Journal Citation Reports® (JCR) by Thompson Reuters and journals' impact factor (IF) values for 2015. In early autumn also data for SNIP (Source Normalized Impact per Paper) — one of several metrics available on ScienceDirect — in 2015 came out. IFs are counted as a metrics that provide a snapshot of performance and help establish benchmarks for growth. We are pleased to see that metrics for our journal is improving:

JCR IF (2015) = 0,433 and ScienceDirect SNIP (2015) = 0,393.

Editorial Board is pleased that efforts and dedication to high quality harvest success.

Associate Editor Professor Slavko Amon decided to step down due to retirement. We are truly grateful for his 14 years of dedicated work and contribution to the success of the journal.

Associate Editor Professor Andrej Žemva decided to step down due to too many duties, especially since he is the Editor-in-Chief of another scientific journal Elektrotehniški vestnik. We are truly grateful for his 5 years of dedicated work and contribution to the success of the journal.

A new member of Editorial Board, Professor Arpad Buermen has been elected by Executive Board of the MIDEM Society in June 2016. He will serve as the Associate Editor for Electronics.

Please join the members of Editorial Board of the *Informacije MIDEM - Journal of Microelectronics, Electronic Components and Materials* in thanking Prof. Slavko Amon and Prof. Andrej Žemva for their valuable contribution and congratulating Prof. Arpad Buermen on his new position as the Associate Editor for Electronics!

We look forward to receiving your next manuscript(s) in our on-line submission platform:
